

SUPERSITE & PORTALES Code Policy

- Vista Higher Learning is not responsible for lost or stolen student codes.
- Student codes are non-transferable: Once a code has been redeemed, the owner of record on the account can not transfer the account to another student/person or change the name on the account to that of another student/person.
- Depending on the textbook program in use, a student code will provide access to a program in a student's account for the amount of time noted below. If a code's life should end, students may purchase a new code from a school's bookstore or at the Vista Higher Learning online Store, www.vistahigherlearning.com/store.

Student access begins upon code activation:
