

UNPARALLED DIGITAL ENVIRONMENT FOR HYBRID AND REMOTE LEARNING

Integrated content, resources, and tools built exclusively to support young learners as they begin their language and literacy journey!

For Students

Plenty of Practice and Support

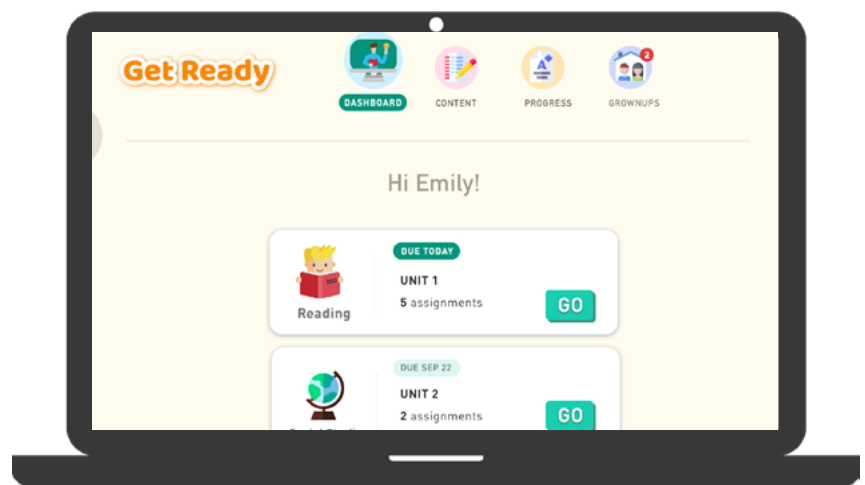

Motivate and engage students from the start. From the interactive student book and practice activities to phonics and thematic readers, students find exactly what they need when they need it.

Safe, Friendly Environment

Uncluttered interface, helpful tools, and seamless textbook-technology integration, all in a safe digital space.

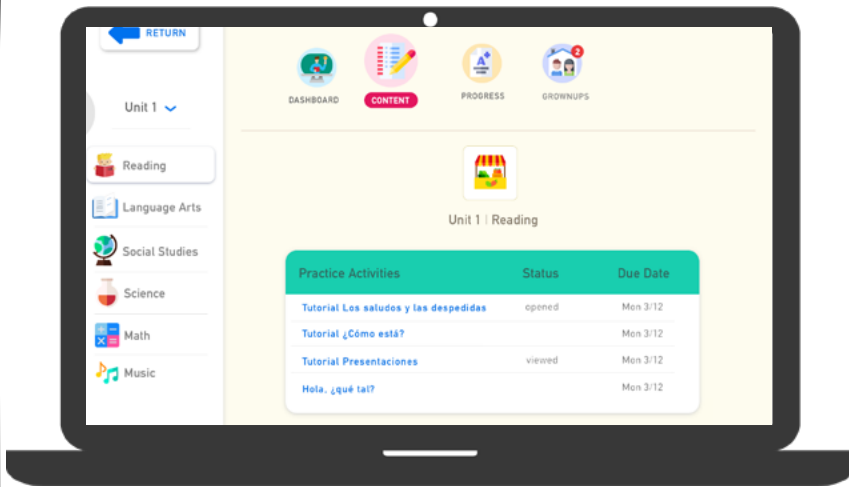

Engaging Media

Fun, engaging videos, audio-sync readings, and audio recordings, interactive activities... the Supersite has it all.

For Teachers

Time-Saving Tools—plan, prepare, teach, and assess

No need to spend your time hunting down materials...finding the perfect videos... creating activities and assessments...or grading homework.

Powerful Course Management

Choose what you use and how you use it. Shape our curriculum to fit your district/school's instructional program model. Monitor track, and report on student progress and communicate securely with students and parents.

For Parents

Instant Communication

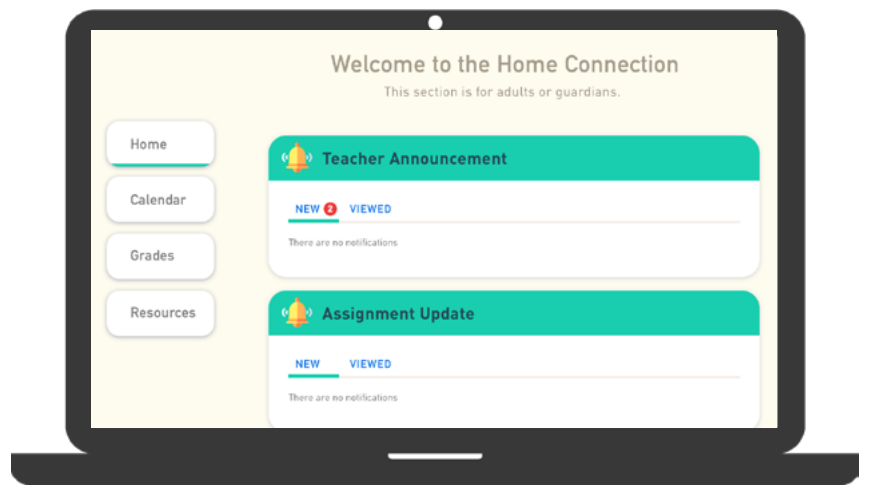

From teacher announcements to student assignments and grades, parents have access to it all—allowing them to play an integral part in their child's learning.

Real-time Progress

No need to wait for progress reports or report cards, parents see how their child is performing every step of the way.

Support Resources

Teachers post letters and other notifications and resources to encourage parent involvement.
